This beautifully designed one-story home provides an open, flowing layout with spacious rooms and ample natural lighting. With a large center island, walk-in pantry, and abundant storage space, the kitchen is perfect for entertaining and opens to the family room for maximum socializing. The secluded master suite features a spa-like master bath with separate tub and shower, while a private study is located at the front of the home providing a quiet, zen place to get away. Additional bedrooms, located off their own hallway are ideal for hosting visitors.

Nathan Carlisle reserves the right to change features, prices, plans and specifications without notice. Floor plans and elevation renderings are artists' conceptions only. Please see your online sales associate for additional information and more details.
